Hallways

Distribution Centers

Manufacturing Facilities

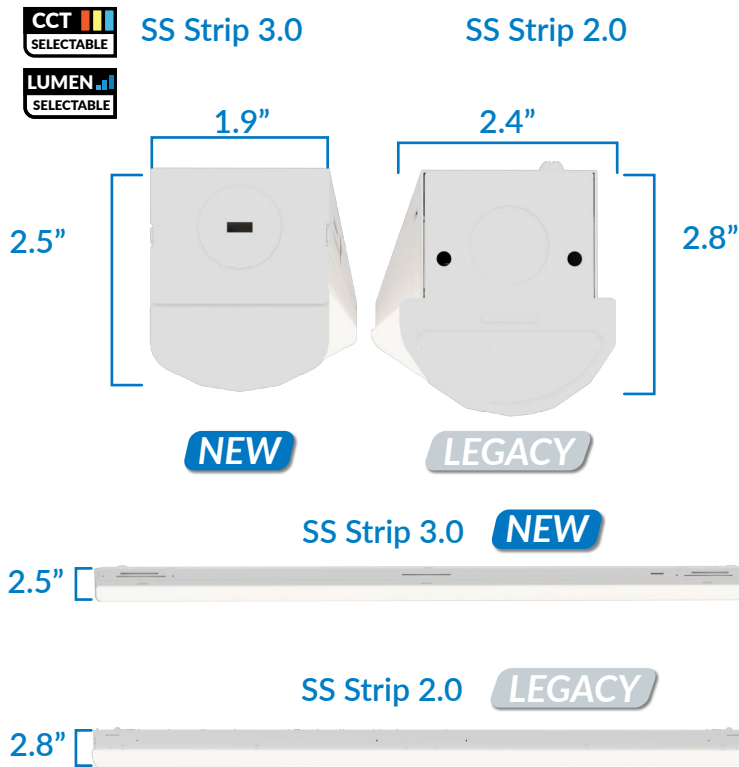

3 HOUSING LENGTHS

The SS Strip Luminaire comes in three sizes (2', 4', 8') with lumen packages ranging from 2,000 - 12,000 delivered lumens. Offering exceptional efficacy (up to 162 lm/w), the SS can be tailored to suit your project's specific requirements.

NEW SLIM LOOK, MORE VERSATILE

Post-painted housing, sleek end caps, a fully frosted and illuminated lens, and a slimmed-down housing create an attractive design and lower profile for your space without sacrificing functionality.

MULTIPLE MOUNTING OPTIONS
